Discussion on Lecture Series:

Dan presented the publicity draft. All agreed to proceed. The first lecture will be presented by Dennis Melton on Thursday evening, Sept. 13th. Thereafter, the lectures will take place on the third Thursdays of the month., Dan will introduce Dennis and say a few words about the Historical Commission and its mission and goals.

Karen Scherer has volunteered to give us room on the website to advertise the series.

It was noted that New Garden Township has their own website and that we should think about starting our own. If we do, we will need a webmaster.

House plaque applications and sample will be on display at the lectures. We can provide research to be sure of accuracy. And could charge \$200 to make a small profit. We need to make it easy for the homeowners to obtain a plaque. We should check with Codes before proceeding.

Mary Dugan should be contacted regarding research. Dan will check into cost of research.

Everyone on our Commission should really try to attend the lectures.

Meeting adjourned at 7:42 pm.
